

Entwistle & Cappucci LLP Announces Securities Class Action Filed on Behalf of Persons or Entities That Traded Common Stock of Forescout Technologies, Inc. During the Period February 6, 2020 Through May 15, 2020, Inclusive

June 11, 2020 10:37 AM Eastern Daylight Time

NEW YORK--(<u>BUSINESS WIRE</u>)--Entwistle & Cappucci LLP ("Entwistle & Cappucci") and Susman Godfrey L.L.P. ("Susman Godfrey") today announced that they have filed a securities class action lawsuit on behalf of persons or entities that purchased or otherwise acquired common stock of Forescout Technologies, Inc. (NYSE: FSCT) ("Forescout" or the "Company") during the period February 6, 2020 through May 15, 2020, inclusive (the "Class Period"), and who thereby sustained damages (the "Class"). The case was filed in the United States District Court for the Northern District of California, Case No. 3:20-cv-03819 against Forescout and related defendants (collectively, "Defendants").

The class action asserts claims under Sections 10(b) and 20(a) of the Securities Exchange Act of 1934. The complaint alleges that Defendants made materially false and misleading statements and omissions of material facts regarding the significant and disproportionate decline in Forescout's financial performance and the related risk Forescout's planned acquisition by Advent International Corp. would not close. As a result, Class members that purchased Forescout common stock during the Class Period did so at artificially inflated prices. In this action, Plaintiffs seek, among other things, an award of damages and prejudgment interest, to Plaintiffs and other Class members.

If you wish to serve as a lead plaintiff in this matter, you must file a motion with the Court no later than 60 days from today, or by Monday, August 10, 2020. Any member of the proposed Class may move the Court to serve as a lead plaintiff in this matter through counsel of their choice, or they may choose to do nothing and remain a member of the Class.
